

ABOUT US

GOGA Innovators, an ISO 9001:2015 certified company based in Ahmedabad, Gujarat, has over 10 years of industry experience. We specialize in laser cutting services, foundation bolts, SS fabrication work & MS fabrication work, and all types of precision work. Equipped with our own machinery and equipment, we have the expertise to cater in government projects.

GOGA Innovators is a trailblazing company committed to transforming the way industries operate through cutting-edge technological solutions. Founded on the principles of innovation, efficiency, and sustainability, we strive to empower businesses with tools that enhance productivity and drive growth. Our core expertise lies in developing customized software and hardware solutions that address the unique challenges faced by our clients across various sectors.

At GOGA Innovators, we believe in the power of collaboration and work closely with our clients to understand their needs, ensuring that our solutions are not just effective but also future-proof. Our team of dedicated professionals is driven by a passion for technology and a commitment to excellence, constantly pushing the boundaries of what's possible.

OUR MISSION

At GOGA Innovators, our mission is to revolutionize industries by delivering innovative, high-quality technological solutions that drive sustainable growth and operational excellence. We are dedicated to understanding the unique challenges faced by our clients and providing tailored solutions that not only meet but exceed their expectations.

We believe in the power of technology to create positive change, and our goal is to empower businesses with tools that enhance productivity, efficiency, and environmental responsibility. By fostering a culture of collaboration, continuous learning, and innovation, we aim to push the boundaries of what's possible, ensuring that our clients stay ahead in a rapidly evolving digital landscape.

OUR VISION

To be a leading provider of precision work solutions, recognized for our excellence and commitment to innovation.

CNC LASER CUTTING MACHINE

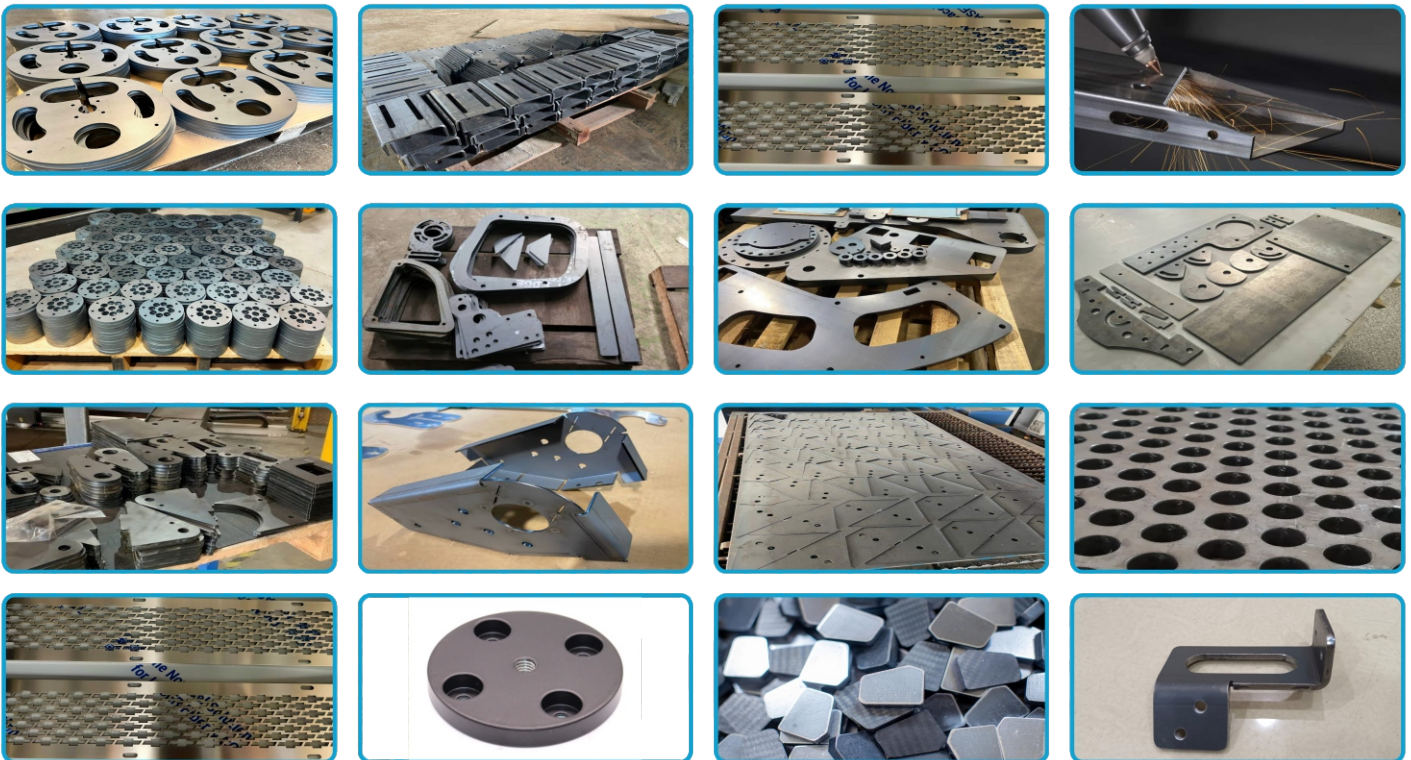

SPECIFICATIONS

3200 Watts & 6000 Watts
Cutting tolerances 0.05mm to 0.2mm
Table size 4000mm x 2000mm

Goga Innovators The Leading Sheet Metal Laser Cutting Service Provider Based In Bakrol Ahmedabad Gujarat. We Perform The Engineering Components & Provide Job Work Services For Both Type Of Manufacturing (We Provide On Demand Manufacturing As Well As Mass Production For A Laser Cutting Services). We Offer Fiber Lasers Cutting Services That Can Cut A Number Of Materials In Ferrous & Non Ferrous. With High Quality Cutting Edge Laser Cut Machines In Gujarat, India We Cater The Laser Cutting Services Range From Prototype To High-volume Production Runs & We Try Our Best To Provide End To End Manufacturing Solutions. Our Project Engineering Team Is Always Responsible For Making Sure The Parts Are Done As Per The Tolerances Provided By The Customer And Deliver The Parts On Time With Best Quality.

CNC LASER CUTTING MACHINE COMPONENTS

CNC PLASMA MACHINE

SPECIFICATIONS

3200 Watts & 6000 Watts
Cutting tolerances 0.05mm to 0.2mm
Table size 4000mm x 2000mm

Plasma Cutting Services Supplier And Exporter in Gujarat, India Plasma cutting is perfect for cutting dense parts where lasers cannot perform or are not economically possible. Plasma cutting is a melting procedure in which a jet of ionized gas at temperatures above 20,000°C is used to melt and expel material from the cut. During the procedure, an electric arc is struck between an electrode (cathode) and the workpiece (anode).

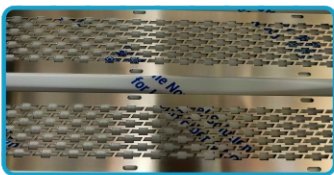

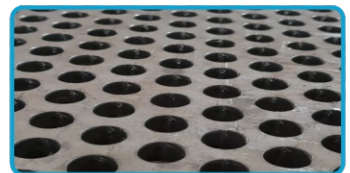

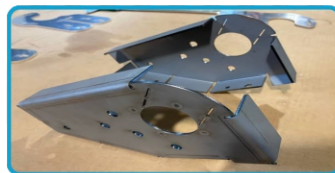

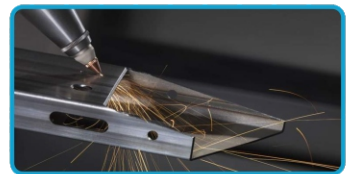

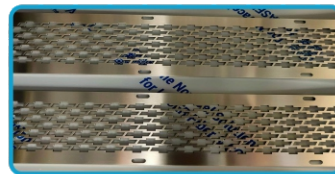

Application: Carbon, Low & High Alloy Steels

Cutting Range: Up to 250 mm (carbon), up to 60 mm (stainless)

Cutting Area: 6500 x 3000

GOGA INNOVATORS is leading Plasma Cutting Services provider. Our services are easily customizable as per the requirements of clients. Goga Innovators offer a wide range of services from simple to complex depending on your requirements.

CNC PLASMA MACHINE COMPONENTS

CNC TURNING MACHINE

SPECIFICATIONS

3200 Watts & 6000 Watts
Cutting tolerances 0.05mm to 0.2mm
Table size 4000mm x 2000mm

Swing Over The Bed - 500mm
Swing Over Carriage - 300 mm
Max.turning Dia. - 300 mm
Max.turning Length - 500 mm

GOGA INNOVATORS, AN ISO 9001:2015 CERTIFIED COMPANY BASED IN AHMEDABAD, SPECIALIZED IN MANUFACTURING AND SUPPLYING HIGH-QUALITY PRECISION COMPONENTS AS PER CLIENTS CUSTOMIZED DESIGN. WE HAVE TEAM FOR DOING FAST PRODUCTION WITH SUPER QUALITY. WE SERVE THE PRODUCTS IN VARIOUS INDUSTRIES LIKE STEEL PLANT, ROLLING MILL, OIL & GAS REFINERIES,ETC
